

# Welcome!

Hello, and thanks for your interest in Not Dead Yet!

Our band was formed several years ago to give an interesting crew of semi-retired touring pro's something to "keep us in the life" every few weeks or so. It soon turned into something much more! Audiences were attracted to the eclectic blend of new and classic rock, performed with high energy and a fun "anything goes" attitude.

Our secret?? We actually DO have fun! We love being out there playing for real people - no longer held to contracts and managers and the grind of the road - just playing for our "friends" and having a hell of a good time.

So give us a call when you are ready for a little "lively" entertainment, a healthy dose of good old rock & roll, and a little tongue in cheek badness...

We aim to please - just ask the people who work at the venues we've played. Customer service and a good attitude means a better gross at the end of the day, and quite frankly, these days we could all use a little fun..... and profit!

As for the financials, we guarantee we can make you happy. We can work with most budgets and always keep our price in line with the venues' best interest - if you're not happy, we're not happy... until we ALL profit.

We hope to come over and entertain you soon, we know you will have a good time - as we do playing for you!!

Tony Heyes, Guitar & Vocals  
Tom Smith, Bass & Vocals  
Phil Hoefs, Drums & Vocals
